Transform Your Firm at Every Level

Every lawyer deserves tools that work as hard as they do. All tiers of our software include powerful utility tools to streamline workflows, automate tasks, and simplify compliance so you can focus on your clients, not paperwork.

[BOOK A DEMO](#)

We've Got Migration Tools

We will help you migrate from any other legal software to ours.

You've Got The Best Support

During the migration process you will be guided by the best support staff.

AJS + Migrating = Happiness

Migration is not something you need to be afraid of.
It's the next step to using the only software for your firm that will truly revolutionize the way you work.

Terms & Conditions Apply:

Any prices, functions and features are per user per month unless stated otherwise.
Our base price also includes support. We do not bill for support, we only bill for customisation.
Our clients will not receive a surprise invoice from us. Where billable, we will quote first.
